_____)

This matter came on calendar on September 13, 2005, for a status hearing at which time Assistant U.S. Attorney Daniel S. Linhardt appeared on behalf of the government and Donald Heller, Esq., appeared on behalf of the defendant. Counsel for the defendant stated that the defense was in the process of auditing the payments received by the defendant from the Department of Agriculture. Accordingly the parties requested a continued status date since until the audit is completed both counsel will be unable to determine best how to proceed. Both counsel agreed that time should be excluded pursuant to Local Code T-4 to give them time to prepare and that the case should be continued until

1 October 12, 2005. The request of counsel for a continuance is
2 granted and it is;

3 **ORDERED** that the status conference in this case be continued
4 until October 12, 2005, and that based upon representations of
5 the parties the Court concludes that the ends of justice served
6 by granting such continuance outweigh the best interest of the
7 public and defendant in a speedy trial and accordingly the time
8 between September 13, 2005, and October 12, 2005, be excluded
9 from the time in which the defendant's trial must commence in
10 accordance with 18 U.S.C. § 3161(h)(8)(A) and Local Code T-4.
